

Beep Beep! to continue as Hibs' Private Hire Vehicle Partner

Hibs have announced that Edinburgh-based Beep Beep! will continue as the club's Private Hire Vehicle Partner for the 2020-21 season.

The local firm offer a reliable taxi service – covering all kinds of jobs from local runs to airport transfers and treks further afield with a vast fleet of vehicles that includes saloon cars, estate cars, six, seven and eight-seater people carriers and executive cars.

The Beep Beep! app offers fixed fares at 40 per cent off taxi metered fares for people living in Edinburgh. There are no surcharges or any surprises as the fare is set when making the booking, meaning traffic or busy times do not result in customers being hit harder in the pocket.

The Beep Beep! partnership will continue to provide services to club and Hibernian Community Foundation staff, as well as running events and competitions for supporters.

A Beep Beep! representative said: “We are delighted to announce that we are once again working in partnership with Hibernian to help fans travel around the city safely. Our new pricing structure of 40 per cent off for all customers, along with our new safety procedures, including vehicle sanitising and masks for customers, will support fans to travel in a safer way. We are also offering this massive discount to

business customers who might prefer to pay a monthly invoice and use us for business travel.”

Murray Milligen, Commercial Manager at Hibernian FC, added: “Hibernian FC are delighted to see Beep Beep! continue as our official Private Hire Vehicle Partner. Travelling by private taxi is sure to be an important method of transport during the new normal and it’s great we are able to promote their fantastic service to our supporters.

“We’d like to thank the team at Beep Beep! for their continued support of the club.”

Supporters can download the Beep Beep! app through the Apple App Store or Android’s Google Play Store.
