

Hibs offer fans opportunity to be involved in behind closed doors games

Hibs are offering fans a unique opportunity to be involved in the behind closed doors matches at Easter Road as one of their 'fan cut-outs' in the East Stand which are priced at £25 each and available to keep when the stadium is back to full capacity.

Supporters will be able to see the fan cut-outs in the matchday Hibs TV until they get back along in person.

The club will be donating £1 from every cut-out to Edinburgh and Lothians Health Foundation – the official charity partner of NHS Lothian.

To secure your seat in the East Stand [click here](#).

Hibs are also in the process of working up seat banners to sit in the lower tiers of the Famous Five and South Stands and are speaking to a number of partners at the moment.

They have a limited number of packages still available and interested parties should contact commercial@hibernianfc.co.uk.

In addition, the club are also working on ways to incorporate flags and banners from supporters within Easter Road and will announce further details on this in the coming days.
