

Horgan wonder goal helps Hibs remain unbeaten in pre-season build-up

Hibs remain unbeaten in their pre-season friendly matches after coming from behind to draw 1-1 with Aberdeen at Pittodrie.

Craig Bryson opened the scoring for the Dons before Republic of Ireland international winger Daryl Horgan scored a brilliant late equaliser with a tremendous 25-yard wonder goal.

This was Hibs fourth game since returning to action, drawing 1-1 with St Mirren, 0-0 with St Johnstone and beating Hamilton Academical 2-1.

Another proposed game against Ross County was postponed due to problems with COVID-19 testing results.

Their final friendly game will take place against champions Celtic at Parkhead on Monday in preparations ahead of the new Scottish Premiership campaign getting underway next weekend when Kilmarnock visit Easter Road.
