

Concern for welfare of missing Bangladeshi man

Police are appealing for the public's assistance in tracing Selim El Syed (54) who has been reported missing from Leith.

Selim was last seen in the East Hermitage Place area around 3.30pm on Monday, 17 August, 2020.

He is described as Bangladeshi, around 5 ft 5 ins tall, of slim build with dark hair. He has a noticeable gait and when walking may appear to shuffle.

Inspector Grant McCulloch said: "We are very concerned for Selim's welfare and officers are currently carrying out a

number of searches to trace him. He is known to travel to rural parts of Scotland by bus and train and will sleep outdoors.

"I would urge anyone who has seen Selim, or has any information on his whereabouts, to contact police on 101, quoting reference number 1409 of 19 August."
