A spokesman for A1 said: "We are delighted to be working alongside Hibernian Football Club. As our local big team we take great pride in supplying their framing and look forward to our future together."

Murray Milligen, Commercial Manager at Hibernian FC, said of the partnership "We are delighted to have A1 as our official framing partners. Peter and the team came onboard half-way through last season, and we were very impressed with the quality of the products they were providing for our matchday sponsors. They will continue this season as official framing partners and we are looking forward to working with them again this season and promoting their brilliant service to our supporter base."

The partnership will launch with A1 Framing digitally

sponsoring Hibs' second home match of the season, when Motherwell come to town on Saturday. If A1 can help with any framing requirements, you can contact them on 0131 663 0064.
