

Tailoring package offered with these Allanwater homes

UP TO £7000 TAILORING PACKAGE FROM ALLANWATER HOMES ON HAYFORD MILLS TOWNHOUSES

Allanwater Homes is offering an exclusive £7k tailoring package with every sale of a luxury three bedroom townhouse at Hayford Mills, Cambusbarron.

The new, well designed development, in a peaceful sought after location, is proving very popular for young professionals, re-sizers, and families.

Priced from £274,995, the spacious and elegantly appointed townhouses present an eye catching 21st Century home. Depending on build stage, Allanwater Homes can allow for some layout adjustments in line with clients' requirements. Built over three floors, they are created using the very latest energy efficient materials. The ground floor of the "Deveron" townhouse design is complete with a convenient shower room and utility room. The third bedroom could easily be used as a family room or study, depending on the occupant's requirements.

Upstairs on the first floor of the townhouses, prospective buyers will find a good sized lounge, with a separate kitchen/dining area. The upper floor houses an en-suite main bedroom, plus another double bedroom, with a luxury family bathroom making up the accommodation.

“This fantastic £7k tailoring package will enable townhouse buyers to enhance their new property at Hayford Mills with a choice of bespoke items,” said Cheryl McGeever, Sales Manager for Allanwater Homes.

“There’s never been a better time to buy one of these eco friendly, high specification townhouses which have all the space and features that a growing family, or a professional couple, needs,” added Cheryl. “Cambusbarron is a delightful semi-rural location, away from the hustle and bustle of the City, but with easy commuting and many local amenities on your doorstep.”

Hayford Mills also offers luxury two bedroom apartments, priced from £145,250, and complete with their own tailoring package. These include two bedrooms, together with an open plan kitchen/lounge. The industry leading specification in these homes will delight all buyers. Apartments to choose from include the two bedroom Tummel and Earn (each from £145,250).

Selected apartments at Hayford Mills, Cambusbarron qualify for the Government Assisted Help to Buy Scotland Scheme (subject to individuals’ eligibility), which can assist young buyers in obtaining a new home. Please enquire in the Sales Office for further details on this scheme.

Allanwater Homes offers a new, “as included”, specification, which sees many top industry leading names come together to present an exceptional offering in the newbuild marketplace.
