On World #SuicidePrevention Day Police Scotland officers are continuing to raise awareness of suicide prevention in Edinburgh and encouraging people to seek help and to talk.

Officers from the Prevention, Intervention and Partnerships Department will be at two locations tomorrow from 10am – 1pm.

They will be Waverley Bridge with partners Penumbra and Edinburgh Thrive and also on the station concourse with colleagues from British Transport Police.

A statement of Facebook read: “Come along and see us. Maybe you have a family member or friend who may benefit from speaking to somebody.”
