

SFA offer fans chance to be a 'face in the crowd' at forthcoming Scotland games

As there will not be a full crowd into Hampden for Scotland's upcoming October fixtures, The SFA are still offering fans the chance to be there, through the Fans At The Game initiative.

Credit Scottish FA

Fans can get their very own personalised cut out, to be seated in Hampden for the UEFA EURO 2020 Play-Off clash against Israel, plus the UEFA Nations League fixtures against Slovakia and the Czech Republic.

Cut outs are priced at £20 each and are the best way to show your support as Scotland looks to progress to a Play-Off showdown with Norway or Serbia, and maintain top spot in the UEFA Nations League group.

Once costs are covered, all revenue generated will go towards Give for Grassroots – The Grassroots Football Support Fund, which aims to keep young people playing the game they love

throughout the Covid-19 pandemic, by supporting grassroots clubs.
