

Coronavirus – today's figures

The Scottish Government has just announced the latest figures for today, 27 October 2020, detailing the number of people diagnosed with Covid-19 in the last 24 hours.

The announcement comes just before the First Minister addresses parliament on the new strategic framework with its different levels of restrictions.

The figures as at **27 October 2020** are as follows:

The number of new cases of Covid-19 reported in Scotland today – **1327** new cases. Of these **202** are in Lothian.

17,143 new tests that reported results and **8.7%** of those were positive.

Number of people in hospital with recently confirmed Covid-19 – **1,100**

Number of people in Intensive Care Units in Scotland – **82**

The number of deaths reported today of people who have tested positive

within the last 28 days is 25 which means 2,726 deaths under that measurement.

Remember **FACTS** for a safer Scotland

F
