

Online police recruitment aimed at BME population to take place tomorrow

An online police recruitment aimed at increasingly diverse BME population will take place between 12.30pm and 2pm tomorrow.

Police Scotland is acutely aware that the diversity of our communities is increasing all the time.

They recognise the importance of our communities being able to relate to police officers and are therefore actively reaching out to BME communities and encouraging members to consider a career in policing in Scotland.

During the 90 minute online recruitment event, users will learn about the recruitment process, the training, the role of a police officer and the endless opportunities which are available to you once you embark on this exciting career path.

In order to participate in the event, Microsoft Teams will be required.
