

# Police in East Lothian seize significant quantity of heroin during #OperationJuneau

Police officers in East Lothian have provided an update of #OperationJuneau activity carried out over the weekend.

#OperationJuneau was launched to combat substance misuse in #EastLothian and during the course of the initiative officers have arrested and charged a number of people and recovered drugs worth tens of thousands of pounds.

Police Scotland

Over the weekend officers have executed further drugs warrants in Dunbar, Haddington and North Berwick.

Heroin with a street value of £16,500 has been recovered.

In Dunbar a man and woman, both 18, were arrested and charged in connection with the supply of class A and class B drugs.

In North Berwick a 53-year-old man was arrested and charged in connection with the supply of a class A drug.
