

Dobbies is now open in Stockbridge

On Monday 9 November 2020, Dobbies' first small format store, Little Dobbies, has opened its doors.

Located on Raeburn Place at the new development there, Little Dobbies offers a range of houseplants and gardening products. This is complemented by a carefully curated range featuring indoor and outdoor pots; a selected range of home décor and gifts; and seasonal ranges.

There's also a coffee shop, offering hot and cold drinks, as well as takeaway treats.
