

It's a Christmas miracle at Six by Nico

Six by Nico will create a miracle for you this Christmas.

Chef Nico believes that Christmas dinner is something we spend the other 364 days of the year dreaming about, and now he will make those dreams come true by serving up a carefully curated Christmas meal.

Although we might not all be able to enjoy Christmas traditions exactly as we know them this year, Six by Nico will serve up the magic of this season with a nostalgic trip down memory lane reminiscent of many Christmas Days past.

Christmas movies are often related to a rediscovery of innocence and have become a festive tradition as predictable as a turkey dinner itself. With this in mind, the team at Six by Nico in Glasgow and Edinburgh have created a 'Miracle On' menu centered around a nostalgic look back at the festive season when Christmas jingles in the air and Christmas market stalls are full of festive fare.

The new six course 'Miracle On' themed tasting menu includes; **Memories of a Christmas Market** – Sausage & Onion Compote, Smoked Sausage Foam, Crispy onions, Pickled Shallot & Potato Airbag; **Partridge in a Pear Tree**– Partridge Boudain, Pumpkin & Pear with Beech Smoke & a game consommé; **Who Hate's Brussel Sprouts?** – Chanterelle Mushroom, Sprout Tops, Ewe's Cheese Royale, Confit Egg Yolk & Fermented Black Garlic; **Smoked Salmon Blinis**– Smoked Salmon, Jerusalem artichoke, Baby Kale tops & Granny Smith Apple, Smoked Caviar & Buckwheat Blini Foam; **Bob Cratchit's Three Bird Roast**–

Breast of Duck, Turkey Roulade with pistachio & Prune, Chicken Liver parfait, Duck Fat turnip fondant, Pomme Souffle, Fig & Red wine gel with Game Sauce.

Saving the best until last, Six by Nico's Christmas dessert, a **Buche De Noel (Yuletide Log)** – Spiced Raisin Cake, Dulce de leche mousseline, Sour Cherry, White Glacage & Hazelnut, white chocolate aero – is the perfect sweet treats to round off the Christmas menu.
