

Hibs welcome two new members of staff to the club's training centre

Hibs have welcomed two new members of staff to their Football Department at the club's training centre.

Euan Fotheringham joins as Performance and Recruitment Analyst, replacing Craig Scates – who left Easter Road in October after five years.

In addition, Peter Logan has kicked off a new role as Football Logistics Coordinator on a temporary basis.

Consequently, Finlay Stark has been promoted to the new position of Football Operations Manager, while Calvin Charlton becomes Head of Performance and Recruitment Analysis.

Hibernian FC Sporting Director Graeme Mathie said: “First of all, I’d like to formally thank Craig Scates for all his work at the club over a long period of time and wish him every success in his future endeavours, and at the same time welcome Euan Fotheringham and Peter Logan to the club.

“Both have already made very positive contributions and will be excellent additions to the staff team here.

“I’d also like to recognise the contribution of Gavin Gillies, who has gone over and above his usual remit to assist with various tasks since the start of the season.

The changes to the remits of Finlay Stark and Calvin Charlton reflect their significant input in their respective areas, and

their hard work is appreciated by everyone within the Football Department at HTC.”
