Inspector Johnny Elliott of Drylaw Police Station said: “One of our priorities is to deal with disorder and antisocial behaviour in the city. Extensive damage was caused during this incident and has had a serious impact on the business.

“Officers carried out a thorough investigation which included viewing CCTV footage and speaking with witnesses in order to identify those responsible.

“I’m pleased to report that the youths identified have been traced and charged accordingly and I’d like to thank the local community for their support during this enquiry.”
