

Police seek help to identify young man whose body was recovered from Firth of Forth

Detectives at Dunfermline are continuing their enquiries and appealing for any assistance to establish the identity of a young man who was recovered from the Firth of Forth at Burntisland on Friday, 19 March.

Around 10.20am on Friday morning, officers were called to the shore near to Aberdour Road, Burntisland where the body of a man had been found in the water.

The death is not being treated as suspicious and a full report will be forwarded to the Procurator Fiscal.

He is described as white, aged in his late teens to early twenties. He is between 5ft 7ins to 5ft 9ins in height of very slim build with short blond to light brown hair. He was wearing grey Lonsdale jogging trousers, a grey hooded 'Saltrock' jumper and blue Adidas high-top trainers.

Detective Sergeant Conrad Musgrave from Dunfermline Police Station said: "We are carrying out extensive enquiries to find out who this young man is and trace his family.

"We are also working to establish if he is the same person who we previously appealed for information on, after being seen acting in a concerning manner on the Forth Road Bridge in the early hours of Tuesday, 9 March.

"I would urge anyone who may recognise this description, or who has any information that may assist us to please contact Dunfermline Police Station through 101 quoting reference 0898 of 19 March."
