

# Abby makes her BBC debut

**Nine-year-old Abby Wallace from Edinburgh has a starring role in the new BBC series, Dinosaur.**

Abby who trained at [Stagebox](#) in their theatre training programme which has only just come to Scotland, plays young Nina, the younger version of the lead character.

Following in the footsteps of 11-year-old Lexi Sheppard, who is filming for a Netflix movie musical, Abby is benefiting from the opportunities which the talent management company discovers for its clients.

The series began on BBC Three and will also be shown on 7 June 2021 on BBC One.
