

Polwarth Parish Church has a new boat

The Kirk on the Canal, has bought a 60 ft long canal boat to use for spiritual and educational pursuits.

Reve Jack Holt, minister of Polwarth Parish Church, explains in the video below how he wanted to incorporate a boat into the church which sits alongside the Union Canal. Now with the help of charity, People Know How, the kirk will begin to use the boat for the church's work and working with schools all over Edinburgh.

The boat is called All Aboard.
