

Judy wins prestigious accolade at European awards ceremony

Judy Mariens, who was the 2020 Local President at JCI Edinburgh, a membership organisation which provides development opportunities for people aged 18-40, won the title of Most Outstanding Local President, at a European awards ceremony.

The event, which took place during the virtual JCI European Conference, aimed to showcase and celebrate outstanding member contributions and projects from JCI chapters across the continent.

During her presidency, and despite the challenges brought by the Covid-19 pandemic, Judy successfully led the JCI Edinburgh board and organisation through what was a tough but very rewarding year. Judy encouraged active participation from members in a range of virtual activities which connected, supported and inspired young people across the capital. In addition to leading the JCI Edinburgh board and continuing with her day job, Judy made time to volunteer weekly with the Scran Academy – a charity that worked to provide food packages and cooked meals to those in need during lockdown.
