

Rotary Club of Edinburgh welcomed to European Contact Group

The Rt Hon Lord Provost, Frank Ross, welcomed the Rotary Club and some European guests to the European Room at the City Chambers for a civic reception on Friday evening. The Lord Provost automatically becomes an honorary member of the Rotary Club of Edinburgh during the duration of their office.

The occasion was a significant one. The Rotary Club of Edinburgh has been admitted to the European Contact group comprising Stuttgart, Lyon, Turin, Lausanne and Barcelona.

The two clubs in Edinburgh and Lyon have already had an informal collaboration since 2003 and in 2019, through this connection, Edinburgh was invited to send a delegation to the Contact Clubs annual meeting in Stuttgart. Following this the Edinburgh club has been asked to join.
