

Dior Beauty arrives at Harvey Nichols

Just in time for those Christmas presents you really want to keep for yourself, Harvey Nichols has opened Dior Beauty in its Beauty Hall.

There will everything from perfume to make up available – including a professional look from Dior Backstage which is the first range inspired by backstage and designed by Peter Philips, Dior's Creative and Image Director.

The Atelier of Dreams makeup collection pays tribute to Maison Dior at 30 Avenue Montaigne which is where the brand began.

This festive season there is an engraving service for the gifts you are going to give away. The service is available for lipsticks and fragrances for men and women, including La Collection Privée Christian Dior fragrances in various sizes.

As part of the launch celebrations, there is a Dior Beauty Masterclass taking place on 7 December 2021. Dior Beauty's International Pro Artist, Jamie Coombes, will demonstrate his top makeup tips using the Christmas Collection. Tickets

available on Eventbrite.
