

# Network changes on Lothian Buses begin from Sunday

## Lothian Buses will make changes to its services from Sunday 14 November.

The bus company has said that they are facing recruitment challenges like other transport operators and are having difficulties in providing drivers each day.

As new members of staff are progressed through the recruitment system this should become easier to managed but they have made changes to the timetables to make their services more reliable.

In addition as there will be closures on North Bridge and there are ongoing works at York Place, changes have been made. Read about the changes [here](#).

### Services affected in both directions

Service 8 – will be diverted via Nicolson Street, Chambers Street, George IV Bridge, The Mound, Hanover Street, Dundas Street, Great King Street, Drummond Place, London Street, and Bellevue.

Services 26 and 44 will be diverted via Princes Street, Waterloo Place, Regent Road, Montrose Terrace.
