

Miracle On – Christmas menu about to be served at Six by Nico

After last year's disappointment, Christmas is officially back for 2021, and nothing will stand in the way of the nation enjoying the festive season as Six by Nico serves up the magic of the season with a show stopping Christmas themed tasting menu.

Who hates brussel sprouts?

The six course menu will be available from Monday 13 December until 9 January 2022 priced at £29 per person. There are vegetarian options available and festive snacks.

Christmas movies are typically associated with rediscovering our childhood innocence, so the team at Six by Nico has created the 'Miracle On' menu, which is centered on a nostalgic look back at the festive season when Christmas jingles in the air and Christmas market stalls are full of festive fare.

Most of us are familiar with the traditional Christmas lunch and all the trimmings but this December, our team at Six by Nico wanted to bring the magic of Christmas nostalgia to the plate with our 'Miracle On' menu and create the perfect Christmas dining experience for all of our customers".
