

# **New restaurant opening on Princes Street**

**Bar + Block is to open an all-day dining steakhouse on Princes Street in the premises next to the Premier Inn.**

This application was one of the first made to the council following relaxation of the rules about restaurants on Princes Street.

Inside the new steakhouse there will of course be all the cuts of steak available as well as hand-made burgers and grazing plates, accompanied by cocktails and craft beers.

For breakfast, lunch and dinner you are promised a menu which is a “cut above the rest”.

There is an opening offer of 25% off food for anyone who signs up on the Bar + Block website.

Here is some of what you can expect:

## **Sunday Lunch**

The Sunday Best roast is great for lazy lunches where you can choose from sliced rump, or half a chicken served with Yorkies and all the trimmings.
