

Raising funds for Steps to Hope from takeaways

What The Fork has teamed up with Bonnie Burrito, MC's Takeaway and Harajuku Kitchen to raise money for charity, Steps To Hope this Christmas.

- Until 22 December all three will donate the value of a meal to Steps To Hope with every order they get through either on the [What The Fork app](#) or through their individual branded apps.

- [Steps To Hope](#) is a non-profit charity which runs soup

kitchens every week, providing those struggling with homelessness in Edinburgh with warm shelter and a three course meal.

- Each meal served costs just £2 and What The Fork would like to buy as many meals as they can to make a real difference to those in need at this time of the year.
- All donations made will be uploaded to the dedicated Just Giving page which you can click on here.
