

Late heartbreak for Clan

Justin Hodgman slotted 42 seconds into sudden death overtime as Sheffield Steelers edged Glasgow Clan 3-2 in Yorkshire in the Premier Sports Elite League.

The league pace-setters had to come from 1-0 down after Rodney Southam opened the scoring for the Scots after four minutes.

Evan Mosey levelled after 25 minutes and Marc-Olivier Vallerand, the league's top points scorer, netted No 2 after 47 minutes.

But Guillaume Gauthier equalised with less than seven minutes left to take the game into the extra session.

Glasgow's four-game winning run has come to an end but they travel home with a point, the second time this term that Clan have taken Sheffield to overtime and the second occasion then have lost 3-2.

And coach Malcolm Cameron's (pictured) men now slide into fifth spot with 23 points from 23 games, edging Guildford Flames into sixth position. Guildford visit Glasgow on Saturday (19.00).
