

# **Police following up housebreaking are searching for car used by suspects**

**Police in Edinburgh are conducting enquiries after a housebreaking in Edinburgh on Monday 7 February 2022.**

The break in occurred at Silverknowes Gardens. Officers were called at around 8pm and found that the rear door of the property had been broken. There was nobody in the house at the time and a list of items taken is still being compiled.

The suspects got into a car described as a beige or gold coloured Nissan Note registration GF60 XZH. It is also possible that this car, which was stolen from Davidson's Mains last month, may have another registration number displayed.

Police officers are conducting door to door enquiries and gathering CCTV footage looking for further information.

Detective Sergeant Steven Dick said: "It appears the Nissan Note is being used by the suspect(s) to leave the scene and transport any stolen items. We should all feel protected in our homes, and know that our personal items and objects are safe from thieves. I am asking for the public's help in trying to locate this vehicle. If anyone has seen it or noticed it parked up somewhere then please do get in touch with us. Your information could help us trace whoever is responsible and allow us to return any stolen items to their rightful owners."

Anyone with information is asked to call Police Scotland via

101, quoting incident number 3026 of 7 February, 2022. Alternatively, please call Crimestoppers on 0800 555 111 where you can give information anonymously.
