

LGBT+ Adoption & Fostering Week Information Evening

As part of LGBT+ Adoption & Fostering Week 2022, which is being organised by New Family Social, there will be an LGBT+ Adoption & Fostering Information Evening in the St Andrew's Children's Society Office on Wednesday, 9 March from 6pm to 8pm.

This year the society are especially keen to hear from people who are thinking about becoming permanent foster carers. A spokesperson said: "We receive calls on an almost daily basis from local authorities looking to find safe and loving homes with permanent foster carers for vulnerable children but sadly we can't always help these children. That's why we desperately need your help.

"If you want to find out more about becoming a permanent foster carer or an adopter, please come to our LGBT+ Adoption & Fostering Week Information Evening.

"We will tell you about:

- the fostering and adoption processes
- the children waiting to be fostered on a permanent basis / adopted
- what it's like to foster/adopt a child
- the support we offer our permanent foster carers and

adopters, including training and events

- You can ask as many questions as you like.

“We will also be joined by one of our many LGBT+ adopters who will tell you what it was like for them to adopt and they will also be happy to answer your questions”
