There will be some cheering points along the way to keep walkers entertained and motivated and all who complete the 10k will receive a medal.

There will be food and refreshments at the end and a chance to meet up with other families.

Those who take part are asked to dress in rainbow colours representing the charity's logo.

Sign up below and use JustGiving to set up your online fundraising page. All funds will be used by the charity to support bereaved children, young people and families who have lost someone dear to them.
