

Sunset above Edinburgh

Photographer Tom Duffin was out and about on Thursday night to capture the last Supermoon of this year.

Sit back with a cup of tea (other beverages are available) and enjoy his photos [here](#).

Edinburgh, UK. 11th Aug, 2022. Sunset behind Edinburgh's Royal Mile with 60 miles distant mountains. The Hub spire on left, Old College in middle and St Giles cathedral right. Tom Duffin
