

Art exhibition opening on Friday

24 Royal Terrace and Graystone Gallery are staging their first Winter Exhibition from 11 November until 2 January 2023.

The hotel and gallery have joined forces to create a unique experience for art lovers. Their innovative and exciting Winter Exhibition features 20 artists with deep ties to Scotland, showcasing a wide breadth of new talent at attractive prices.

Supported by a series of exclusive luxury events, the Winter Exhibition provides the ideal opportunity to enjoy and own original Scottish art. From the dreamlike visions of Damian Tremlett to Gill Knight's semi-abstract seascapes, there is something in this new exhibition to inspire any taste and budget.

One of the artists is Wendy Helliwell whose work *Vogue Lips* is included in the exhibition.

At [24 Royal Terrace](#) Edinburgh EH7 5AH from 11 November to 2 January 2023.
