An Edinburgh hotel is offering the ultimate city break experience with guests receiving an extra night stay – on the house.

Guests of [Ten Hill Place hotel](#) can enjoy a two-night stay for the price of one with a new deal running until the end of March that is proving a popular Valentine's Day date and gift.

Located at 10 Hill Square, the hotel is approximately a 10 minute walk from Princes Street or Edinburgh Castle with the St James Quarter offering an array of shops, boutiques and restaurants within easy walking distance.

"The deal is running until the end of March which is great as it gives potential guests a bit of time to plan a memorable trip!

we're already seeing the offer being taken up by those in the thralls of a new relationship, or looking to keep an old flame flickering."
