

Withnail and I – photographic exhibition

A new exhibition will open on 15 March and will showcase the work of photographer, Murray Close.

Close has had a stellar career as a film stills photographer. His first experience on a film set was working with none other than the brilliant Stanley Kubrick on *The Shining*, the horror film with Jack Nicholson and Shelley Duvall.

As a stills photographer, his first full length feature was on the low budget *Withnail and I*. The British cult classic launched Murray's career as well as those of Richard E Grant and Paul McGann.

Murray has gone on to work on films such as *Mission Impossible*, *The Hunger Games*, *Harry Potter* and *The Matrix*.

This will be a rare chance to see his work "in the flesh", and prints will be available for sale with prices ranging from £150-£950.

The exhibition is free and runs from 15 March 2023 until 15 April 2023, Wednesday to Saturday.

Please note opening times can vary so please call if travelling a distance. 07740 870579.
