

# Wemyss Malts introduce new limited release blend

Wemyss Malts has unveiled a new limited edition, hand-crafted Scotch whisky – Nectar Grove – which they say is an adventurous exploration of flavour with a “beautiful succulent character”.

Nectar Grove is an exclusive limited edition small batch release with a blend of fine single malts filled into hand-selected Madeira wine casks to perfectly marry with the oak for a “rich, warm finish”.

With sweeping stone fruits, orange zest, sweet wine and pastel de nata, Nectar Grove captures the feeling of meandering through sun-drenched boulevards. This exclusive release is a “sumptuous blended Scotch malt whisky designed to be savoured and enjoyed”.

The tasting notes are: “On the nose, the whisky features aromas of sunbaked peaches, dried apricot and succulent nectarines. On the palate, you can expect orange oil, sumptuous rich vanilla and caramelised sugar. Complete with a warm finish of complex spices, toasted saffron and crystallised ginger.”

Non-chilled – filtered and bottled at 46% there are 3,000 bottles of the hand-crafted Scotch whisky available worldwide – making it one of the most exclusive releases from the award-winning brand.

Nectar Grove is available now via the Wemyss Malts website (RRP £55).

**Isabella Wemyss, Production Director at Wemyss Malts, said: “At Wemyss Malts, we’re passionate about our meticulous approach to cask selection and blending. We go far beyond the familiar territories of region, age and finish.**

*“We always strive to create exceptional Scotch whiskies that leave a rich and lasting impression and believe Nectar Grove does just that. We’ve spent years expertly selecting the finest single malts from Scotland’s dynamic regions to create a portfolio of beautifully-crafted expressions and Nectar Grove is the latest release in our vivid expression collection – we really hope everyone enjoys it as much as we’ve enjoyed creating it.”*

Founded in 2005, Wemyss Malts is an independent, family-owned company with a reputation for creating exceptional spirits.
