

# **Chip the French Bulldog is looking for a new home**

**Chip, a cuddly 3-year-old French Bulldog, is eagerly awaiting the opportunity to find his forever family.**

This delightful pup is in need of a home with adults/children aged 16+, where he can be the centre of attention and the recipient of abundant love. Chip's only request is a home without other pets as he wants all that attention for himself.

This affectionate little fellow adores meeting new people and will joyfully greet anyone he encounters. His greatest desire is to be by your side, showering you with love and companionship. Chip's endearing nature is evident as he happily jumps onto laps for a cosy cuddle when he isn't rolling around on the floor, exuding pure happiness.

Chip is an adventurous spirit who revels in hopping in the car for exciting escapades. His favourite destinations are the beach and woodland areas, where he can freely explore and indulge his curious nature. However, when at home, Chip dreams of having his own garden to engage in lively games of tug of war with his owners.

Aside from playtime, Chip seeks owners who can provide him with ample affection and companionship, preferably someone who is home for most of the day. With his adorable personality and unwavering loyalty, Chip is ready to bring boundless joy to the fortunate family that can offer him the loving home he deserves.

If you think you could provide a home for Chip or any of the 50 dogs currently available for rehoming, please contact the West Calder Rehoming Centre on 01506 873459.
