CLUB 3000 BINGO TO OPEN AT OCEAN TERMINAL

Ocean Terminal has agreed a long-term lease with Club 3000 Bingo, the UK's largest independent bingo operator, and a new purpose-built, state-of-the-art club will open at the centre next year.

Once the new club is built, Club 3000 Bingo will move from its current Edinburgh venue in Manderston Street to the new 27,500 sq ft unit on the ground floor of the Leith waterfront shopping centre. The family-run business is investing an estimated £5 million in the new club to create a modern and luxurious environment to complement Ocean Terminal's existing mix of retail, leisure and hospitality outlets.

Following the extension of the Edinburgh Tram network to Newhaven, opening to passengers soon, the club will lie at the heart of Leith's regeneration. Club 3000 Bingo forms a part of Ocean Terminal's major redevelopment as a 'town centre' for the local community. In a £250 million masterplan the centre will be reconfigured, with new homes and public realm to make the most of its unique waterfront location and fulfil the city's aspirations for 20-minute neighbourhoods.
