

AGA celebrates summer with local produce

Celebrate summer the AGA way

On Saturday 10 June AGA stores across the country will be hosting events centred around celebrating local producers and the wonderful things they grow and make, and there will be one held in Edinburgh.

From farm shops to fishmongers and from bakeries to butchers great ingredients make all the difference – and that is why the shops want to showcase all that is good locally.

Go to AGA Edinburgh, Drumsheugh Place on Saturday 10 June, from 10am to 4pm.
