

Confident Complin targets points at Berwick

Mildenhall skipper Lee Complin is confident of a strong showing from the Fen Tigers when they visit his former club Berwick (Saturday, 7pm) in the National Development League.

The Fen Tigers ended a busy period of NDL matches with defeat at Oxford on Tuesday, but have already been successful on the road this season at Workington.

Meanwhile the Bullets were edged out at home by Oxford last week and have Mickie Simpson coming in to guest at reserve with Lee Complin ruled out.

Complin (pictured) said: "I've seen what needs to be done to win at Berwick this year, and with an all-round team showing there is no reason why we can't do it too.

"We had a lot of issues on Tuesday which cost us, and we are putting that behind us and all is good to go on Saturday."
