

Dog of the Week – Louie Longlegs (Lurcher)

Louie Longlegs, an affectionate 8-year-old Lurcher, would love to find his forever family.

With his remarkable stature and lively limbs, Louie Longlegs gracefully commands attention wherever he goes, he truly flourishes when surrounded by his favourite people who are ready to shower him with abundant affection. Louie Longlegs can live with children over the age of 16 years old and although he is friendly with other dogs, he prefers to be the sole pet in the household.

Louie Longlegs enjoys leisurely walks in the woodlands where he can investigate and explore. A garden where he can lounge or play with his favourite squeaky pheasant toy would be a dream come true. Louie Longlegs is house-trained, happy being left alone for short periods of time and travels great in the car. Human companionship is what Louie Longlegs thrives on, and having someone at home for most of the day would greatly fulfil his need for companionship.

Louie Longlegs' remarkable personality and heart of gold more make him an exceptional companion for any family.
