How To Play Bingo

The rules of bingo are simple – all you need is a set of numbered cards or tickets, and someone to call out numbers (known as the “caller”). As each number is called out, players must mark off the corresponding number on their card or ticket. The first player who marks off all their numbers in a row (either horizontally, vertically or diagonally) wins!

There are two main types of bingo: 75-ball and 90-ball. In 75-ball bingo, players have 25 squares on their card with numbers ranging from 1-75. In 90-ball bingo, there are three rows with nine columns each; each column contains five random numbers between 1-90.
