

Interview: Steve Richards set to return with Rock & Roll Politics

IN the last full year before the general election, the legendary show returns with all the latest political dramas, characters, questions and unreliable predictions.

Can Starmer win? Has Sunak a path to victory? Has the SNP peaked? Can Brexit ever be done?

Let's try to make sense of it all and enjoy ourselves in the era of volcanic politics. There'll be a different show every day.

The Edinburgh Reporter caught up with Steve Richards to talk about the success of the shows and the podcast and what subjects he hopes will come up.

It is clear that he wants the long form type of political debate to survive and thrive. Sometimes, political news items are restricted to more than a few soundbites.

The success of hour long live shows and podcasts such as Steve's illustrates that there is a market/appetite.
