

# **Railway fans successful fundraising for Maggie's**

**Volunteers from the Eskvalley Model Engineering Society SCIO, who operate the miniature railway in Midlothian's Vogrie Country Park, have raised more than £2,000 for Maggie's Edinburgh, the cancer support organisation based at the Western General Hospital.**

The railway enthusiasts ran *Trains for Maggie's* each Saturday during the season.

The cheque for £2,125 was presented to Samantha Lea from Maggie's by the Society's Chairman Bill Rouse.
