

Christmas pop-up open at Art & Craft Collective

The Christmas Pop-up is now open at Art & Craft Collective.

The first Christmas Pop-up shop at the Southside gallery features a selection of makers new to Art & Craft, such as Zoobar Crafts, Krystal's Handmade Cards, Clara's Closet, Seoladh Saorsa, Flamingo Rex and several others.

Gallery owner, Lindsay Given Black, said: "Our aim is to provide a wider selection of handmade Christmas goods and give more makers an opportunity to sell at what is one of the busiest times of the year.

"The displays will change weekly, so pop in for a look and support local craftspeople."

This is a genuine Scottish-made alternative to the Christmas Market in town.

Art & Craft Collective 93 Causewayside, EH9 1QG. Open Wednesday to Monday 11 am – 5 pm.
