**Edinburgh Leisure's soft play parties are back this festive season at Clambers, Scrambles and Tumbles soft play.**

**From rocking around the Christmas tree to burning off all that Christmas excitement across the city's soft play venues, there will be plenty to keep kids active.**

Children can dance and prance to the jolly disco, make new friends with the preppy party games and unwrap their creativity with Christmassy arts and crafts. And at Edinburgh Leisure's Christmas parties, you won't find the Grinch present – each child will leave with a celebratory gift.

In preparation for burning off all those mince pies, Santa Claus will be consuming this Christmas, he's been seen on the climbing wall at Edinburgh International Climbing Arena (EICA) Ratho, perfect for practising descending all those chimneys.
