

DJ business wins new awards

A Leith business has won a couple of prestigious awards for excellence in the entertainment world.

Paul Croan and daughter Rebecca and business associate Jeremy Thoms along with his son Alex recently traveled to Barony Castle in Peebles to pick up their award for best DJ hire company Scotland 2023/4.

The Prestige award was set up to recognise smaller independent businesses for their hard work and excellence.

Edinburgh Dj hire Director Paul Croan said: "This is the culmination of over 12 years of graft. We went to do a season of Djing in Ibiza in 2011 and the business really kicked on from there. We mainly cover events and parties in the central Scotland area but sometimes travel further afield. Jeremy's son Alex Thoms is the latest recruit and has been working with us for a couple of years now."

Edinburgh Dj hire are also winners of the three best rated DJs Edinburgh 2023.

Paul said: "When they find out it's a family affair people find it fascinating. The old guard Paul and Jeremy cover mainly the weddings and corporate events and Alex and Rebecca cover the younger audience for parties.

"We are delighted as a small business to have gained recognition for our Dj skills and we usually de-stress on a Monday night with a trip to a local bar to do the pub quiz.

"Our success in quizzing has been limited but it's a good way for us all to catch up where we share stories of our weekend

over a chat and a drink.”
