

Dog of the Week – Larry Longlegs

Larry Longlegs is a five-year-old Lurcher with a real passion for life. Larry is in search of an active family that shares his enthusiasm for staying on the go and plenty of snuggles.

Larry thrives in an environment with a secure garden where he can play off-lead. He is well-suited for families with children over 14 who can appreciate the presence of a loving canine companion. As he settles into his new routine, Larry should be comfortable being left alone for a few hours, provided it's built up gradually, as he seems content in his own company.

This dog is a bundle of fun, extending his friendliness to everyone he meets. He delights in a good bum scratch, and as your bond deepens, you'll discover just how snuggly and playful he truly is. Larry is not just charming; he's also incredibly clever and relishes learning new tricks. His love for food makes him an eager learner, ready for some enjoyable and educational training sessions.

He prefers walks in quieter places and as a true attention-seeker, he would like to be the sole pet in his new home, relishing the spotlight. If you're a fan of smart, active, and affectionate Lurchers, Larry Longlegs is poised to steal your heart with his irresistible charm and boundless energy.

Dogs Trust West Calder is currently seeking new foster carers across the whole of the Lothians & Scottish Borders. If you could open your home to a dog in need, please email HFHWestCalder@dogstrust.org.uk for more info.

The rehoming centre is also recruiting volunteers for a variety of roles. This season they are predominantly looking for reception staff that are IT savvy and like to meet and greet with customers to act as the matchmakers for our canine residents.
