

Hutchison Vale fundraising initiative – how to help

Hutchison Vale community sports football club have announced a new fund raising initiative supported by Life Science Technologies in appealing to all members, past and present as well as players and supporters.

The 1940 Club features three membership levels (gold, silver and bronze) with each member receiving a unique number that can be used to claim different member benefits dependent on their membership level.

These include season tickets, merchandise, club event discounts, free match food and monthly newsletters.

Each member will also be added to a monthly prize draw for cash prizes, with the first draw taking place on Saturday 6, January, thereafter every first Saturday of the month.
