

Police continue to search for Kasha Smith

Police enquiries continue to locate 35-year-old Khasha Smith, who is missing from Calder Grove and who was last seen on 10 October 2023.

Officers have been out in the local area distributing and pinning up posters today.

Khasha's family is extremely concerned for her and are hoping the posters remind people she's still missing and that we are still looking for information which could help us find her.

As enquiries have progressed, police have established that the last known, confirmed sighting of Khasha was in October

Khasha is around 5ft tall, with a slim build. She has blue eyes and long, blonde hair. She also has tattoos, one which is visible on her right wrist and says 'Forever'.

She often visits the Gorgie, Broomhouse and Wester Hailes areas.

If anyone has seen Khasha or has any information on where she may have gone, please call us on 101, quoting reference 3915 of 5 January, 2024.
