

An afternoon of traditional Scottish Fiddle Music

The Edinburgh Highland Reel and Strathspey Society (EHRSS) is returning to the Queen's Hall to present another varied programme of traditional Scottish fiddle music in March.

The concert will feature the orchestra under the baton of well known Scottish Fiddle player Yla Steven BEM playing a selection of marches, strathspeys, reels, jigs and slow airs.

In addition, EHRSS welcomes the up and coming Scottish tenor Christopher Haggerty. Christopher is developing the singing of glorious Scottish songs in his father's footsteps.

Piper, Martin Duncan, will start the concert off in the traditional manner with his expert skill on the bagpipes. This year we will also welcome a choir from the Edinburgh Young Musicians who will delight us with their singing of Scottish songs.
