

Burger King now open at Craigleith

The brand-new Burger King restaurant opened at Craigleith has created 30 new jobs in the local area.

The new restaurant offers table service and diners can use the app to order their food and drink. Download the Burger King® app [here](#).

Alasdair Murdoch, CEO of Burger King® UK said: “We know the people of Edinburgh love the great-tasting food of Burger King, so we’ve listened to their requests and are very excited to bring all their favourites to their neighbourhood. Our home – of the Whopper! – is their home.”
